## P&C Meeting Principal's Report 16th February 2022

### Welcome

The transition back to school has been smooth and positive. All classes seem really settled and students are really focused on doing their best. Many children have told us they are loving being back at school. This year we have used school funds to fund the eighth class in our model which has meant we have kept numbers lower in our Years 3-6 classes.

### COVID Smart Guidelines

I will continue to provide changes and updates to our school via Skoolbag. These guidelines are set by the NSW Department of Education and NSW Health. The 2022 school guidelines are more in line with the community guidelines set by NSW Health. The measures we are taking at school are aimed at keeping our school open and our students learning in the classroom. Please continue to trust that our students are the number one priority in every activity and organisation we undertake as a school.

### Meet the Teacher Sessions

These sessions will be the perfect chance to meet your child's teacher and ask any questions about the new school year. We ask that only one parent attends the session and that you only enter our school if you are feeling well with no COVID symptoms. All parents and carers will need to wear a mask and socially distance in the classrooms.

Years 1-6 Thursday 17<sup>th</sup> February 4.30pm

Kindergarten rescheduled to Tuesday 22 February 4.30pm

### School Swimming Carnival

Our annual swimming carnival was held last week. We know that this will bring some disappointment to families that would normally share this day with us. Thirty-eight children participated in the competitors only carnival. All students should be extremely proud of their efforts.

### Life Education

All students in Years K-4 will be visiting the Life Education van. A permission note has gone home today. We ask that families pay \$5.00 per child.

**School Newsletter** - Our school newsletter will now be published fortnightly and a What's On edition on the alternative week.

**School Supervision** - School gates open at 8.30am when teacher supervision begins.

### Canteen Coordinator – Vacant Position

Our school canteen Supervisor Position has become vacant. If you or someone you know is interested in applying for the position, please contact the school office on 6621 3433 or email [lismoresth-p.school@det.nsw.edu.au](mailto:lismoresth-p.school@det.nsw.edu.au) for an Applicant's Package.

### What's Coming Up
